

PROFILE

INTERTECH TECHNOLOGIES PVT.LTD. was established in the year 2005 & started our journey to carry out fabrication & to provide technical advisory design services along with design and development of equipments & machines. Since then, our activities have slowly and steadily grown and today we cater to a wide spectrum of clients in Pharmaceuticals, Cosmetics, Foods, Chemical and other allied industries with over 100 varieties of Processing, Packaging and allied equipments & machineries. The strong technical background, enterprising skills and best available engineering know-how enabled us to project our presence as a leader of manufacturer & exporter. We provided services including Equipment selection, Turnkey project execution, Installation and after sales service. We have our offices & Works located both in New Delhi & Mumbai, India. Pro-active management and continuous product innovation have enabled us to earn a good will among our customers. We have our strong presence in USA, CIS regions, Far East countries.

We handle Pharmaceuticals, Foods, and Cosmetics & Personnel care projects from Conceptualization to Execution within compliances of relevant standards. While our engineering, design, procurement and management services are available in comprehensive project packages. We also provide this engineering project management, project management & consultancy services individually or in any combination that a client specifies. We support process, utility and environmental systems, facilities and plant infrastructure etc.

We stress on an environmentally friendly industry as a common target. The Company endeavours towards achieving an engineered solutions for all processes demand of all Pharmaceuticals, Food, Cosmetics & other allied industries.

SERVICES

Our core services include:

A. Project management

Skilful, experienced management is vital for the success of any project. Our project teams provide total capability for project of any size. Each team brings together experts from many fields.

Project management services include:

- Planning & Scheduling
- Procurement and contract strategy
- Design management, Cost control & project deliverable in compliance of statutory need
- Schedule control, Reporting and related aspects.
- PMC (Project Management & Consultancy)
- EPC (Engineering, Procurement & Construction) services.

B. Design

We have the resources to provide traditional design services as well as specialized capabilities in leading edge technologies. We also design the processes crucial to getting your products to the market and improving your operations. From production processes and technology implementation to process controls and advanced systems.

CORPORATE OFFICE

#4, 3rd Floor, B-7 Vasant Arcade, Dr. Nelson
Mandela Marg, Vasant Kunj. New Delhi - 110070
(India). Tel: +91-11-26899580/81/82

WORKS - 1

Building No. 1 & 2, "A" Wing, Unique Industrial Estate,
Survey No. 36, Hissa No. 10, Dhumal Nagar, Waliv, Vasai
(East), Distt. Palghar-401208, Tel: +91-9607940371-78

WORKS - 2

Plot No. 5 and 6, Intertech Industrial Estate, Survey
No. 62 Hissa No. 2 and 3, Behind Verma Shell Petrol
Pump, Waliv, Vasai (East), Distt. Palghar, - 401208

Our design services include

- Detailed Engineering
- Process Engineering
- Chemical Engineering
- Electrical Engineering
- Mechanical Engineering & related aspects.

C. Utility Management

We have experienced personnel in the process, utility management, project management energy conservation study, cost control techniques. These project management tools, along with our experience and facility of pilot plant study ensures a practically zero defect system in all undertakings that we do.

Utility management services include:

- Constructability studies, Site supervision
- Safety and security, Materials control
- Quality control, Cost control & related aspects.

D. Commissioning & Validation

We help you minimize the amount of time it takes to get your facility fully operational, with testing, validation and start up services to assist you in commissioning your plan. Once your facility is up and running, we can help you with continuing services that encompass preventive maintenance plant upgrades, and line change-outs, in order to minimize downtime and maximize production flexibility:

Commissioning & Validation services include:

- Validation master planning, validation protocols
- Installation qualification, operational qualification
- Process qualification, mechanical completion and related aspects.

E. Validation & Reports

INTERTECH considers validation very important requirements for both the client and **INTERTECH** as this is the only system available for ensuring constant improvements and modernization in the processes.

Our validation services comprise a multi disciplined team of engineers. We provide validation and GMP compliance services to the bulk and secondary pharmaceutical and medical device industries. We offer a comprehensive range of validation services

- Validation master plans
- Computer system validation
- GMP training for project engineering disciplines
- GMP material and personnel flows

COMPANY PROFILE

www.intertechglobal.com

OUR FACILITIES

The success story of the company can be largely attributed to its continuous efforts in upgrading technologies. Today, the company offers state of art standard models. G.M.P. models with the options for Fully Automatic PLC Controls for various Process & packaging Equipments, designed to suit a specific end process as required by the Client's product.

We have experienced and skilled personnel to develop and manufacture quality machinery in our well-organized factories at Mumbai (INDIA). We design and fabricate various equipment to overcome the difficulties and problems encountered by chemical, pharmaceutical and engineering industry. At **INTERTECH** the efficient and academically qualified team spares no stone unturned, to be the best in Custom built Engineering by combining State-of-the Art design and technology.

QUALITY

The Company is committed to ensure that no trouble being spared to see that every user of companies' product is satisfied with his equipment. The company has in house Quality control unit equipped with latest testing facilities & manned by highly technical and skilled work force to ensure strict quality control. Quality of our product is compatible to international standards. The Company offers a wide range of models of various capacities which suit a specific end use i.e., Lab models, Pilot Plant models and batch size production models of various capacities.

CLIENTS

The products are of proven performance and can be seen in use in Small Scale Industries, Top Leading Indian Companies and Multinationals. Our products are also exported to various African, Gulf, European countries both directly & also through third party exports. Our clients are dispersed in Maharashtra, West Bengal, Tamilnadu, Andhra Pradesh, Haryana, Himachal Pradesh, Orissa, North East and many Union Territories in India.

PRODUCTS

We are manufacturers and suppliers of Chemical Machines, Pharmaceutical machines, Bulk Drugs, Ayurvedic, Food, Cosmetics, Turnkey Projects & Pilot Plants.

Chemical Equipment's

- Reactors
- Storage Tanks & Vessels
- Multipurpose R &D Pilot Plant
- Extraction plant
- Pressure Vessels and other process Equipment
- Rotary Valves
- Vacuum Evaporators

Mixers & Blenders

- Sigma Mixer
- Cream Mixer
- Planetary Mixer
- Rapid Mixer Granulator
- Vertical Screw Mixer
- Contra Rotary Mixer
- Ribbons Blender with double Choppers
- Powder Dozing System (Screw Conveyor)
- 'V' Cone Blender
- Octagonal Blender

Dryers

- Agitated Vacuum Dryer with Mechanical Rake
- Double Cone Vacuum Dryer,
- Vacuum Tray Dryer
- Tray Dryer with all CGMP Models
- Fluid Bed Dryer with PLC
- Fully automatic with Raking Arrangements

Liquid Oral Plant Machineries

- Stirrers
- Agitators
- Emulsifiers
- Reactors
- Sugar Conveying system

Filling Machinery

Powder Filling Machinery / Granules Filling Machinery

- Powder Dozing Machinery
- Automatic Single Head Powder Filling Machinery
- Automatic Twin Head Powder Filling machinery

CORPORATE OFFICE

#4, 3rd Floor, B-7 Vasant Arcade, Dr. Nelson
Mandela Marg, Vasant Kunj, New Delhi - 110070
(India). Tel: +91-11-26899580/81/82

WORKS - 1

Plot No. 5 and 6, Intertech Industrial Estate, Survey
No. 62 Hissa No. 2 and 3, Behind Verma Shell Petrol
Pump, Waliv, Vasai (East), Distt. Palghar, - 401208

- Automatic Rotary Powder Filling machinery

Cream Filling Machinery

- Semi Automatic Cream Filling Machines
- Automatic Single Head Cream Filling Machines
- Automatic Twin Head Cream Filling Machines
- Automatic Single Head Twin Piston Cream Filling Machines
- Automatic Twin Head Twin Piston Cream Filling Machines
- Lamy/Plastic Tubes & Aluminium Tube filling Machines

Closing or Cartooning Machinery

- High Speed Fully Automatic Cartooning Machines for Mono Cartons
- High Speed Fully Automatic Cartooning Machines for Box Cartons
- Single Station Screw or ROPP Capping Machinery
- Multi Head Screw or ROPP Capping Machinery

Wrapping Machinery

- Carton Over wrapping and Sealing Machinery
- Collating & Over wrapping Machinery
- Sleeving & Shrink Wrapping Machines using PE film
- Shrink Wrapping Machines using POF film
- PVC Shrink Labelling Machines for bottles

Other Plants

- Total Powder mix plant & handling System
- Complete Chocolate Manufacturing Plant
- Nutraceuticals & Food additives plant
- Tomato Ketch up & Mayonnaise manufacturing plant
- Fruit juice & jelly manufacturing plant

IN HOUSE INSPECTION FACILITIES

- Surface Roughness measurement kit – MITUTOYO Make
- Ultra sound D Meter – Range :0.7 to 250 MM(Steel)
- Agitator air trial bench with Run out & Current monitoring facility
- Vacuum Pump – Both water & oil ring (On Demand)
- Hydro-Test Pump upto 30 kgs. Capacity.
- Miscellaneous handheld instruments such as:
 - Dial Bore Gauge
 - Micro meters
 - Vernier calipers
 - Height Gage
 - Weighing Scale
 - Tong Tester
 - Multimeters
 - Infrared Temperature Sensors
 - Digital Contact type temperature Sensor
 - Digital Air Temperature Sensor.
 - Shore A gasket Hardness Meter(DUROMETER)
 - Digital Manometer
 - Digital Humidity Sensor.
 - Lux meter
 - Anemometer
 - Sound level Meter (DB meter)
- Non-Destructive / Destructive contractual Testing Facilities available for checking chemical & Physical properties of metals.
- Hydrogen leak detecting facility – On demand

MANUFACTURING ACTIVITIES / PRODUCT RANGE

****Pharmaceutical Process Equipment****

SECTION - TABLETING / DRY SYRUP / POWDER

Operation	Machines	Model / Size / Options
A: Sieving/Grading of powder Granules	1.Mechanical Sifters	20", 30"
	2. Vibro Sifters	12" To 48" with multiple options.
	3. Rota Siever	Production model
B: Dry/ Wet mixing of tablet Ingredients	1. Horizontal Mass Mixer	50 To 100 Kgs
	2. Planetary Mixer	20 To 7580 Litres with options for Vacuum Jacketed bowl, hydraulic Lifting. etc.
	3. Rapid Mixer Granulator	25 To 1000 litres with option for Jacketed bowl, loading unit , etc.
	4. Starch Paste Kettle	Hemispherical, with in place tilting agitator
C: Milling / Communiting / Granulation	1. Vertical Rota mill	Lab model & production model
	2. Oscillating Granulator	Production standard model
D: Lubricating / Blending of Ingredients	1. Double Cone Blender	5 To 650 Kg
	2. 'Y' Blender	20 To 1000 Litres
	3. Ribbon Blender	60 Litres To 3500 Ltrs.
	4. Drum Blender (inclined type)	Std. Size (200 Litres Drum)
	5. Rotating type Drum Blender	200 To 750 Litres
	6. Octagon Blender	150 To 4000 Litres
E: Sugar / Film Coating & Finishing of Tablets	1. Autocoater	12" to 60"
	2. Coating Pans With Option for Auto Spray System, Hot Air Blower Exhaust System, and	12 To 72 Inches
	3. Polishing Pan with Canvas	To suit drive and size of above pans
F: Material Handling	1. Bins	To suit capacity requirement
	2. Bin lifting & loading device	To suit above bins
	3. FBD bowl lifting & tilting	To suit FBD bowl

SECTION - CAPSULES

Operation	Machines	Model / Size / Options
A: Sieving/Grading of powder Granules	1.Mechanical Sifters	20", 30"
	2. Vibro Sifters	12" To 48" with multiple Options
	3. Rota Siever	Production model

SECTION - LIQUID SYRUP

Operation	Machines	Model / Size / Options
A : Liquid /Oral Preparation	1: Sugar Syrup Preparation Tanks	Upto 10000 Ltrs Jacketed & Non Jacketed with a Range of Agitators
B: Storage / Transfer	1. Holding /Storage Tanks	50 To 10000 Ltrs (Vertical/ Horizontal)
	2. Pumps / Transfer Lines	To Suit Above Capacities
	3. Horizontal Plate Filters	8" To 24" Plate Diameters
C: Bottle / Vial Cleaning	Inline Bottle / Vial Washing Machine	Option for 1 To 3 Washes, Air Wash Recirculation of Water, Loading /Unloading Arrangement , etc.

MATERIAL HANDLING / TRANSFER EQUIPMENT

1. FBD Bowl Lifting and Tilting Device
2. IPC Lifting and loading device
3. IPC and bins
4. Conveyors and trolleys
5. Jacking Trolleys and raising platforms

CORPORATE OFFICE

#4, 3rd Floor, B-7 Vasant Arcade, Dr. Nelson Mandela Marg, Vasant Kunj. New Delhi - 110070 (India). Tel: +91-11-26899580/81/82

WORKS - 1

Building No. 1 & 2, "A" Wing, Unique Industrial Estate, Survey No. 36, Hissa No. 10, Dhumal Nagar, Waliv, Vasai (East), Distt. Palghar-401208, Tel: +91-9607940371-78

WORKS - 2

Plot No. 5 and 6, Intertech Industrial Estate, Survey No. 62 Hissa No. 2 and 3, Behind Verma Shell Petrol Pump, Waliv, Vasai (East), Distt. Palghar, - 401208

INTERTECH TECHNOLOGIES PVT. LTD.

Engineers to Healthcare Industry®

PHARMA * FOOD * COSMETICS * CHEMICAL * PACKAGING

COMPANY PROFILE

www.intertechglobal.com

COSMETIC / FOOD / CHEMICAL EQUIPMENT - BUILT TO CUSTOM DESIGN

1. Contra Rotary Mixers
2. Screw Conveyors
3. Pasteurising Shells
4. Herbal Extraction Systems
 - Soxhlette Type
 - Reflex Type
 - Baro-Metric Type
5. Reactors
6. Heat Exchangers
7. Evaporators and Crystallizer
8. Distillation Columns
9. Disperses
10. Extractors
11. Hydrogenators
12. Condensers

MATERIALS HANDLED

- ✓ SS 304
- ✓ SS 316
- ✓ SS 317L
- ✓ SS 904L (UNS No.8904)
- ✓ Alloy 20
- ✓ Hastelloy B2
- ✓ Carbon Steel conforming IS 2062/A 515/A 516, etc.

DESIGN CODES

Design manufacturing, testing and inspection in accordance with:

- ASME Sec VIII, Div - I.
- TEMA Standards.
- IS - 2825 Standards.
- EJMA Standards.
- IS - 4503 Standards.
- DIN Standards.
